- Communications Law & Ethics

- General Communications
- Intro to Communications
- Public Speaking

## Computer Science

- Computer Applications
  - MS Office
- Computer Engineering
  - Computer Architecture and Organization
- Design
  - Intro to Design
- Information Technology
  - Basic Computer Skills
  - Intro to Technology
  - Networking Technologies
  - Security Administration
- Programming
  - BASIC Programming
  - C Programming
  - C++ Programming
  - Intro to Databases
  - Intro to Programming
  - Java Programming
  - Linux/Unix Programming
  - Mobile Application Development
  - PHP Programming
  - Python Programming
  - SQL Programming
  - XML Programming

## Education

- Early Childhood Education
- Educational Leadership
- Intro to Adult Education
- Intro to Education
- Teaching Mathematics & Science

## Engineering

- Aerospace Engineering
- Circuit Engineering
- Civil Engineering
- Electrical Engineering
- Electromechanical Engineering
- General Mechanical Engineering
- Industrial & Systems Engineering
- Intro to Computer Engineering
- Intro to Engineering Technology
- Nanoscience and Nanoengineering
- Nuclear Engineering
- Petroleum Engineering
- Submarine Engineering

## English

- American Literature
- APA Style Writing
- Argument-Based Research
- British Literature
- Creative Writing
- English for Special Purpose Students
- English Language Learners
- Expository Writing
- General Literature
- Literature-Based Research
- MLA Style Writing
- Reading & Writing
- Reading & Writing K-12
- Technical Writing
- World Literature

## Foreign Languages

- ASL
- Arabic (Beginning/Interm./Adv.)
- Chinese (Beginning/Interm./Adv.)
- French (Beginning/Interm./Adv.)
- German (Beginning/Interm./Adv.)
- Hindi (Beginning)
- Italian (Beginning/Interm./Adv.)
- Japanese (Beginning/Interm./Adv.)
